

## Hosts

---

Kyle and Anthony are the hosts of this club.

When each new nerd comes out, they say  
 "My name is \_\_\_\_ (ex: Gwendal) and I'm not a gangsta.  
 When I'm in the streets all the girls call me a wangsta. I love  
 technology, I cannot lie. I'm here at Wild N'Out Come-on  
 guys... give me a try!"

## 1 Song (Sean/Kris/Austin/?)

---

Hey Ya

## Mixer: Banana Pass (Gwendal) – Nick helps

---

Make two teams line-up single file. Then take a peeled  
 banana and have them pass it down the line. The first one  
 done wins. Gwendal will eat it at the end!

Supplies: 4 Bananas

## 2 Songs (Sean/Kris/Austin/?)

---

Fresh Prince – Ice Ice Baby

## Participation Game: Dog Wrap (Nick) – Sean helps

---

The nerd (Nick) comes in and says the lines and then says  
 that he can "wrap" faster than anyone else. Get two teams  
 of 3 people each. Give them wrapping paper and tape and  
 they race to wrap Jason's two dogs while music plays.

Supplies: Wrapping paper, 2 things of tape, 2 dogs.

## 1 Song (Sean/Kris/Austin/?)

---

This is why I'm hot – Ridin' Dirty

## Skit: Talk N'Spit / You So Fly

---

1) People on the two sides of the room try to get the hosts to  
 spit water out of their mouths by making them laugh.

2) You so fly (Kyle and Anthony ... and Volls? Battle)  
 How fly is he?

- When he cashes a cheque, the whole bank bounces.
- He's so fly that when he picks up a washcloth to clean his  
 face they fight and scream out "Pick me! Pick me!"
- A man in a wheel chair gave her a standing ovation
- He's so fly that when he was born all the women in labor  
 felt slighted and said  
 Forget it...send mine back
- When he walk by a field of corn, the corn jump off the  
 cob."
- He's so fly, he's got a 50,000 dollar limit... on his library  
 card!"

## Announcements (Rap Announcements)

---

- Jason wake up?
- Summer Camp rap (Mike V)
  - Show camp video?
- Get your mom a present for Christmas (Tara)

## 1 Song (Sean/Kris/Austin/?)

---

Amazing Grace – Kris version

## Club Talk – Student Sharing Time (led by Sean)

---
